# WELCOME

to Las Cruces and New Mexico State University

We are so glad you have come to visit us at NMSU. Our university system is nationally recognized for our efforts to enhance student success and social mobility. This is a place where faculty and staff genuinely care about the success of our students and actively help them at each step of their journey.

NMSU is an institution where groundbreaking research and important outreach initiatives are happening each day. These efforts are part of our land-grant mission to serve the diverse populations in the state of New Mexico.

It doesn't matter what socioeconomic background our students arrive from, attaining a degree from this university positions our graduates to earn higher salaries, to live healthier lives and to achieve

greater successes than someone who does not. In turn, this helps their families and lifts the communities where they live.

**Dan Arvizu, Ph.D.**  
NMSU Chancellor

At NMSU, our campus is filled with welcoming students, faculty, and staff, and there is usually something happening on campus. While you are here, I hope you can attend a concert, or a theater or dance performance, or watch our Aggies play. Our campus is open, and you are welcome to stroll on our beautiful grounds.

The story of NMSU began in 1888, when we were founded by Hiram Hadley as the Las Cruces College. We soon became the New Mexico College of Agriculture and Mechanical Arts, with a mission defined by the Morrill Act of 1862 to "promote the liberal and practical education of the industrial classes in the several pursuits and professions in life."

Today, NMSU honors our land-grant origin and recognizes the importance of

the arts, humanities, social and natural sciences, health care, business, and education.

**John Floros, Ph.D.**  
NMSU President

## NMSU NOW

**NMSU NOW** reflects our transformation into a community that has learned how to manage the spread of this virus and is focused on moving forward with confidence as we shape the future of education in a post-COVID-19 world. You can read on efforts we have put in place to keep our faculty, staff and students safe while living, working and studying on campus.

**New Mexico State University**

# WE RISE TO THE CHALLENGE

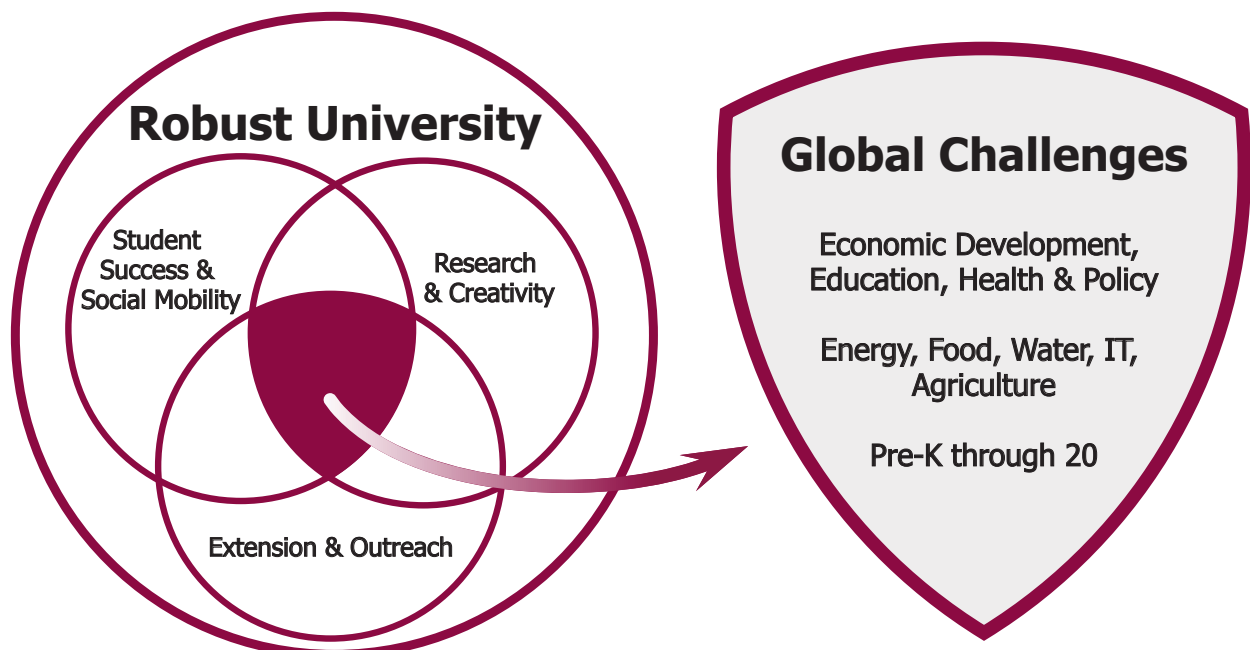

Working together, we have faced and met the most difficult of challenges in recent history. It has been an unprecedented year filled with transformation, innovation, kindness and love. Our efforts to keep Aggies and our surrounding community safe while staying true to our mission of teaching, research, public service and outreach are a testament of our commitment to our Aggie community, friends, and stakeholders. As we continue to navigate through an uncertain future, we will persevere, as always, honoring our obligations. We will continue to think and work boldly to improve student success, elevate research and creativity, and impart necessary knowledge to advance our community.

# NMSU LEADS 2025

As part of New Mexico State University's strategic plan, NMSU LEADS 2025, we are focused on: student success and social mobility; research and creativity; Extension and outreach; and building a robust university. There is an area where each of these efforts intersect. It's in that location where NMSU is able to address a series of challenges which are critical to our region. We hope you'll join us in these efforts.

# BY THE NUMBERS

New Mexico State University is a leader in life-changing opportunities. Our 21st-century degree programs, innovative research activities and unwavering commitment to improving lives have continually been recognized regionally and nationally.

# Cultivate

your Entrepreneurial Spirit and Skills at Arrowhead Center

Arrowhead Center helps innovators, entrepreneurs, and small businesses grow through our network of services, resources, expertise, and connections. It's a hub for entrepreneurial advice, mentorship, education, and hands-on experiences to pioneer new technologies and new partnerships. We honor the unique journeys of each of our clients, ensuring their individual needs guide the assistance we provide.

## Encourage Cradle-to-Career Student Entrepreneurship

The future will be staged on innovation from the next generation. Arrowhead Center works with students from kindergarten through university, seeking to foster entrepreneurial mindsets and provide resources and tools to empower students to believe in their ability to create solutions to the challenges they see around them. Our Innoventure program hosts summer camps throughout the state, presents common core-adapted curriculum on entrepreneurship in elementary schools, and offers challenge-based contests in middle and high schools that last throughout the academic year.

[arrowheadcenter.nmsu.edu/k-university-student-entrepreneurship](https://arrowheadcenter.nmsu.edu/k-university-student-entrepreneurship)

## Initialize Business Creation & Growth

Small businesses are true engines for the economy. Arrowhead Center helps these businesses grow to support new jobs and be the creative problem-solvers that address real world questions. Our Studio G program is a collaborative environment for college/university students and recent alumni to access training and workspaces to jump start their business ideas. Our business Sprint accelerators – some of which focus on sectors like agriculture or clean energy – support entrepreneurs with customized assistance as they explore ideas and markets.

[arrowheadcenter.nmsu.edu/business-creation-growth](https://arrowheadcenter.nmsu.edu/business-creation-growth)

## Protect Intellectual Property and Advance Tech Commercialization

Ideas are valuable and need to be protected. Arrowhead Center helps move game-changing discoveries, inventions, and creative products from NMSU to the marketplace. Faculty and research staff can develop an innovative idea into a product or service available to the global community. Arrowhead Center also offers training to expand inventors' business acumen and relationships within their industries and creative communities.

[arrowheadcenter.nmsu.edu/ip](https://arrowheadcenter.nmsu.edu/ip)

## Collaborate for Regional Economic Development

Collaborate for Regional Economic Development NMSU is part of the thriving interstate and international Borderplex. Arrowhead Center works with partners on and off-campus to position businesses within the region's larger economic sphere and encourage sustainable growth. Collaborations include public and private entities and organizations - like Sandia National Laboratories and Los Alamos National Laboratory - along with government partnerships with Mexico and Native American tribes. The Hunt Center for Entrepreneurship and the Foster Innovation Exchange – each sponsored by El Paso-based private sector partners – are prime examples of this collaborative work.

# CARRYING ON THE TRADITION

Goddard is seated front row, above. ▲

There's been a rich history of broadcasting at NMSU since the earliest days of radio. In 1919, KRWG's namesake Ralph Willis Goddard broadcast the first radio signal in New Mexico from campus.

We proudly carry on that tradition today as KRWG Public Media. From Goddard's humble beginnings, KRWG — still on campus in Milton Hall — has grown to include award-winning television and radio for southern New Mexico and Far West Texas.

- 1964: KRWG-FM begins broadcasting with its call sign as a tribute to Goddard
- 1970: Charter member of NPR
- 1973: KRWG-TV begins broadcasting as a PBS affiliate
- 2001, 2006, 2010, 2019: Rocky Mountain Emmy® Awards (TV)
- 2009: Full conversion from analog to HDTV
- 2011: New Mexico Broadcasters Association's Broadcaster of the Year
- 2017: Launch of 24/7 PBS Kids channel
- 2018: KRWG TV/FM becomes KRWG Public Media
- 2019: Two National Federation of Press Women first-place awards (FM)
- 2020: KRWG Public Media begins streaming live TV online
- 2021 and beyond: Continuing our commitment to enrich our diverse communities with the highest standard of programming in art, science, and information

**Stand with the facts. Be part of this Aggie tradition. Tune in or listen online through our website, watch your TV favorites, and carry KRWG Public Media with you everywhere.**

## QUEST FOR KNOWLEDGE

This 20-foot-wide granite and stainless steel sculpture was designed as a public artwork piece to accompany the building of the new library, now Zuhl Library, in 1992. According to the artist, Federico Armijo, the rocket-like column in the middle represents “how the thought process can be so fast” while the sphere symbolizes that “knowledge builds up. Almost like infinity.” This is just one of several artwork pieces around NMSU anyone can enjoy while walking through campus.

# WE DO HAVE IT ALL... **ON CAMPUS!**

**Living on campus offers you easy living and a well-rounded college experience. You'll be part of a lively residential-campus community with no commute to your classes, eateries, activities and state-of-the art facilities.**

Living on campus is an investment in a student's academic and social success and overall experience as an Aggie. Residents are instantly part of the campus community -- classes, the student union, activity center, library, bookstore, special events, golf course and many other campus resources are all located within walking distance. Studies show that compared to their off-campus peers, students who live on campus are more likely to: maintain higher grade point averages, use campus resources, interact more with peers and professors, and ultimately graduate within the typical four-year span.

**BE BOLD. Shape the Future.**  
**Housing & Residential Life**

Find out more about on-campus options at: [housing.nmsu.edu](https://housing.nmsu.edu)

# PLACES TO GO

There are many on-campus departments and services available to the public. From museums and eateries to a golf course and observatory, visitors can explore our many options.

## The Paul W. Klipsch Museum

The Paul W. Klipsch Museum is a tribute to Paul and his wife, Valerie, who have graciously given the NMSU College of Engineering memorabilia from the audio engineering field spanning more than eight decades. Major exhibits include laboratory equipment, personal effects, and a unique collection of nearly 20 Klipsch prototype speaker systems and commercial issues.

[nmsu.life/klipschmuseum](https://nmsu.life/klipschmuseum) or 575-646-3471

## The 100 West Café

This café/food laboratory is operated by the School of Hotel, Restaurant and Tourism Management. It offers students the opportunity to get hands-on experience in a realistic setting while providing exceptional dining for our campus and local communities. Fixed price lunches, dinners and special events are held throughout the fall and spring semesters.

[nmsu.life/100west](https://nmsu.life/100west) or 575-646-5995

## Pete's Patio

A casual outdoor restaurant and bar located right on campus. A great place to mingle around the firepit or participate in the numerous events hosted here.

[nmsu.life/petespatio](https://nmsu.life/petespatio) or 575-646-4801

## NMSU Golf Course

The NMSU Golf Course is a championship 18-hole course that is open to the public year-round. It has a driving range, large practice greens, short course practice greens (Aggie Land), Golfer Development for all skill levels and Aggie Range Club membership opportunities. It offers a number of options for hosting tournaments, group outings or a league. The facility provides an ideal location for business meetings, social gatherings and special events, and includes a restaurant and bar.

[golf.nmsu.edu](https://golf.nmsu.edu) or 575-646-3219

## Chile Pepper Institute

The only international, nonprofit organization devoted to education and research related to Capsicum or chile peppers, the Chile Pepper Institute was established in 1992 and has since built on the research of famous horticulturalist Fabian Garcia. In addition, the institute includes a gift shop with all things chile!

[cpi.nmsu.edu](https://cpi.nmsu.edu) or 575-646-3028

## The University Art Museum

The UAM actively acquires and stewards a permanent collection of contemporary visual art, houses the country's largest collection of Mexican retablos and facilitates educational programming to align with the teaching missions of both the Department of Art and NMSU.

[uag.nmsu.edu](https://uag.nmsu.edu), 575-646-2545 or [artmuseum@nmsu.edu](mailto:artmuseum@nmsu.edu)

## Astronomy Open Houses

In addition to the teaching and research being conducted by the Department of Astronomy, the department holds some public open houses, in person at the Tombaugh Observatory on campus, and virtually from the Tortugas Mt. Observatory.

[astro.nmsu.edu/events/open\\_house.html](https://astro.nmsu.edu/events/open_house.html) or 575-646-4438

## Zuhl Collection

Part art gallery, part natural history museum, the Zuhl collection at NMSU showcases thousands of beautiful specimens of petrified wood, fossils and minerals boasting the finest and largest collection of petrified wood on display in the country. More than 1,800 specimens are in the Zuhl Collection with the majority on display in the Zuhl Museum, the Zuhl Library and Gardiner Hall. The collection is also available online via the Zuhl Collection Database.

[zuhlmuseum.nmsu.edu](http://zuhlmuseum.nmsu.edu) or 575-646-4714

## Arthropod Collection

The largest collection of arthropods in the state, the NMSU Arthropod Collection includes more than half a million specimens used for research, teaching and outreach. The specimens housed in this collection are the work of more than 100 years of collection and identification and represent thousands of hours of work by world authorities on many arthropod groups. Visits are by appointment only.

[arthropods.nmsu.edu](http://arthropods.nmsu.edu) or 575-646-5552

## University Museum of Anthropology

The University Museum at NMSU creates opportunities to explore human experiences – past, present and future. With collections related to cultural heritage from the Southwest and around the world, we focus on the relational connections between NMSU, Las Cruces, the state of New Mexico, the U.S.-Mexico border region, and the diversity of the world's cultures beyond.

[univmuseum.nmsu.edu](http://univmuseum.nmsu.edu) or 575-646-4056

## Edgar R. Garrett Speech and Hearing Center

The ERGSHC provides diagnostic evaluations and therapy in the areas of speech, language, cognition, voice and swallow for all people across the lifespan. Referrals are accepted from all sources (i.e. self, medical, school, nonprofessionals). All services are provided by graduate students in Communication Disorders and supervised by speech language pathologists who are licensed in New Mexico and hold the Certificate of Clinical Competence in Speech Language Pathology or Audiology from the American Speech Language Hearing Association.

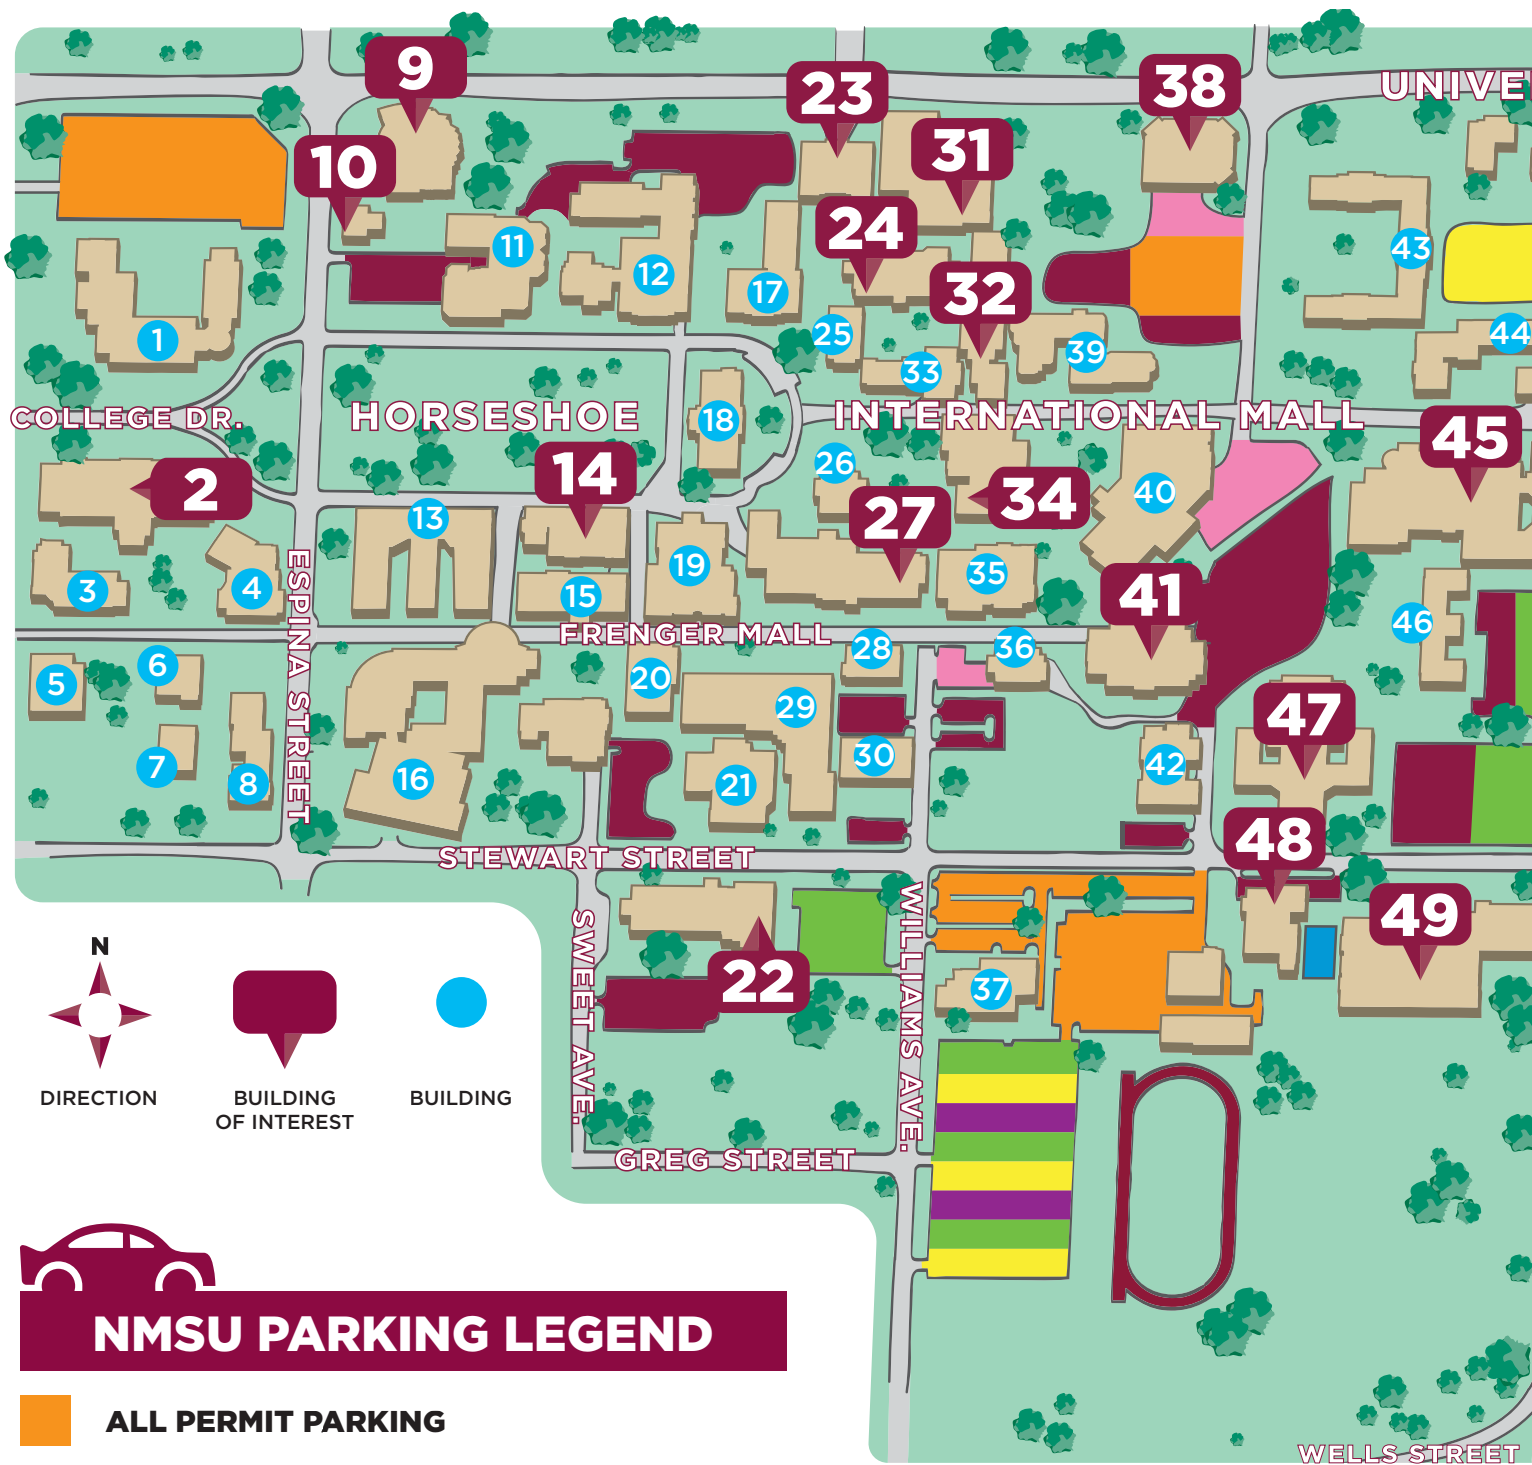

[cd.nmsu.edu/about-erg/erg-clinic.html](http://cd.nmsu.edu/about-erg/erg-clinic.html)

## NMSU Passport Application and Acceptance Facility

Need a passport? The NMSU Passport Acceptance Facility assists students, faculty, staff and the public with the process of applying for a new United States passport. The acceptance facility also offers photo services for passports and visas. Patrons can obtain information regarding passport renewals, but the facility does not process adult passport renewals. Email [passportoffice@nmsu.edu](mailto:passportoffice@nmsu.edu) or call 575-646-7965 for more information.

# ONLINE

## The Educational Provider of Choice For the Adult Learner

NMSU Online connects students with a portfolio of affordable online learning options including workshops, certificates, hybrid degrees and more. We help them gain new skills with our self-schedule delivery method designed for the adult learner.

Affordable, convenient and home to world-class faculty who provide unique learning experiences and organized delivery. We offer a personalized approach in helping our students achieve their educational and career goals.

## NMSU On-Demand

Students can re-skill, up-skill and gain new skills with credit and not-for-credit courses gaining \*micro-credentials as they travel along their learning journey.

## Accelerated Aggie

Students can fast forward their degree with our 8-week accelerated courses. Four new undergraduate programs will begin Fall 2021: Sociology; Counseling and Community Psychology; Journalism and Media Studies; Criminal Justice. For details and start dates, go to [online.nmsu.edu](https://online.nmsu.edu).

*\*Micro-credentials demonstrate experience in a studied subject through digital badges. The badges you collect as you take our courses will follow your development throughout your learning journey.*

# COLLEGE OF HEALTH, EDUCATION AND SOCIAL TRANSFORMATION

**Sometimes innovation requires you to evolve, reshaping yourself to change the world.** Guided by that spirit, NMSU created the College of Health, Education and Social Transformation. It's a new transdisciplinary college, one combining NMSU's long tradition of producing teachers, administrators and specialty educators with southern New Mexico's only accredited nursing, social work and public health programs plus sociology.

**Together, our ability to improve lives in our region, nation and the world only becomes stronger.**

**BE BOLD. Shape the Future.**

- **STEM Outreach Center**

**hest.nmsu.edu**

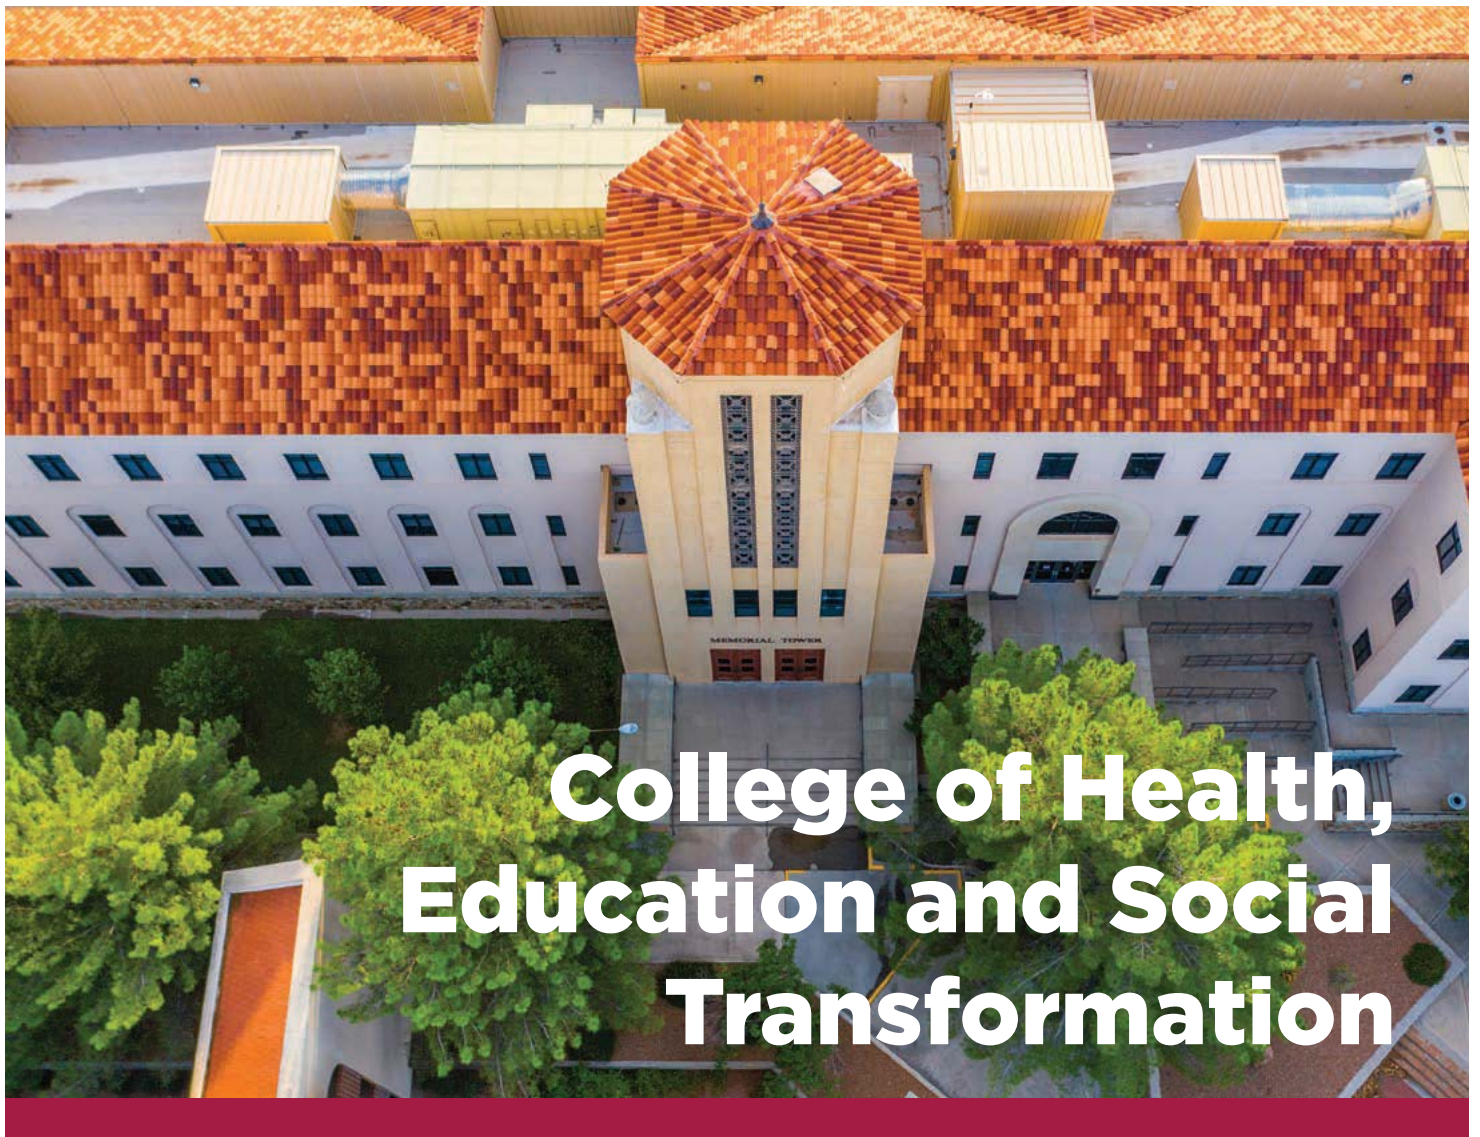

NMSU's Goddard Hall is named for Ralph W. Goddard, a former professor who broadcasted the first radio signal in New Mexico.

Ranked a top Best Value Engineering School, our engineering college houses six innovative departments, an award-winning faculty and exciting research opportunities that can lead to rewarding careers.

[enr.nmsu.edu](http://enr.nmsu.edu)

# College of Health, Education and Social Transformation

The School of Nursing offers multiple degree programs. NMSU also is home to the state's only undergrad and grad public health programs.

A transdisciplinary college and research center, the College of Health, Education and Social Transformation houses programs in health, education, social services and social sciences. Dedicated to providing excellent teaching and research opportunities to the next generation of the caring professions, our cross-disciplinary collaborations and real-world applications make a positive impact in our local communities and beyond.

[hest.nmsu.edu](https://hest.nmsu.edu)

# William Conroy Honors College

Honors students engage in interactive learning, take on challenging work and set ambitious goals.

The first one of its kind in the state, the NMSU William Conroy Honors College serves students from all majors across campus. Our small and challenging classes, taught by master teachers, lead to lively discussions and collaborative investigation of topics.

[honors.nmsu.edu](https://honors.nmsu.edu)

# The Graduate School

The NMSU Graduate School offers nationally recognized programs of study in the creative arts, education, humanities, social sciences and STEM fields.

[gradschool.nmsu.edu](https://gradschool.nmsu.edu)

The Graduate School offers nearly 100 programs at the master's, doctoral and graduate certificate levels.

# ENHANCED OPPORTUNITIES

NMSU provides dynamic avenues for exploration, advancement and success. All our programs and services are developed with students in mind.

## Master's Accelerated Program

MAP allows academically qualified students to earn both a bachelor's and master's degree in as little as five years. Once accepted to a program in the junior or senior year of undergraduate work, students will continue to be charged tuition and fees at the undergraduate rate and retain eligibility for undergraduate scholarships.

[gradschool.nmsu.edu](http://gradschool.nmsu.edu)

## Osteopathic Medicine Pathway Program

OMPP provides a unique opportunity for students interested in improving the well-being of the diverse population of the region. At NMSU, students gain the necessary fundamental tools and knowledge in order to transition into the medical education program at the Burrell College of Osteopathic Medicine. This pathway offers qualified students guaranteed admission upon completion of all program requirements and attainment of an undergraduate degree.

[ompp.nmsu.edu](http://ompp.nmsu.edu)

## UNM/NMSU Cooperative Pharmacy Program

The UNM/NMSU Cooperative Pharmacy Program is designed to increase the number of pharmacy students from southern New Mexico and ultimately the number of pharmacists practicing in the area. Students selected during their senior year in high school will complete the pre-pharmacy coursework at NMSU and then enter the University of New Mexico College of Pharmacy for the didactic phase of the PharmD curriculum. This program offers eligible New Mexico high school seniors a path to obtaining a pharmacy degree in their home state.

# GLOBAL ENGAGEMENT

NMSU welcomes students from across the world to further their studies on our campus, creating a community of diversity and cultural enrichment that enhances the educational climate for all of our students. We provide guidance and support to our international students while they navigate their higher education journey at NMSU.

# AGGIE LIFE

Living the best college experience means being on campus! There are many opportunities for students to widen their worlds by participating in all we have to offer. Crimson Connection is NMSU's student involvement platform that provides information about student events, organizations and campus activities.  
[crimsonconnection.nmsu.edu](https://crimsonconnection.nmsu.edu)

## Living on Campus

NMSU residence halls and apartment-style facilities offer students easy living and well-rounded college experiences. Students have short commutes to their classes, eateries, activities and state-of-the-art facilities. We have several halls designed for students with different interests, all equipped with the comforts of home.

[housing.nmsu.edu](https://housing.nmsu.edu)

## Student Organizations and Clubs

Building friendships that last a lifetime is easy when you have more than 250 student groups ranging in topics from cultural and political to professional and sports-related. Students can find friends with similar backgrounds and interests, or make new connections.

[silp.nmsu.edu](https://silp.nmsu.edu) | [crimsonconnection.nmsu.edu](https://crimsonconnection.nmsu.edu)

## Fraternity and Sorority Life

The FSL community, comprised of 14 chapters, is an active part of our student population. They are involved with many campus and school-related activities, and they hold their own events that benefit NMSU and the surrounding community.

[greeklife.nmsu.edu](https://greeklife.nmsu.edu)

## ASNMSU

The Associated Students of New Mexico State University (ASNMSU) exists to advocate and progress all interests for the students at NMSU, by diligently offering captivating events, student-centric services and all-inclusive programs for every student in the Aggie family. We encourage all students to take part in ASNMSU sponsored events.

[asnmsu.nmsu.edu](https://asnmsu.nmsu.edu)

## InterFaith Council

The InterFaith Council at NMSU is a group of organizations that offer help in spiritual growth, support and guidance to students, faculty and staff. The council provides opportunities for those in the NMSU community to explore their own faith traditions and engage people from other backgrounds.

[ifc.nmsu.edu](https://ifc.nmsu.edu)

## PRIDE of New Mexico

The "PRIDE" of New Mexico marching band is composed of approximately 200 of the finest musicians, dancers and auxiliary in the nation. The purpose of the "PRIDE" is to give students a musical experience while providing entertainment at Aggie football games, parades and many other NMSU events.

[music.nmsu.edu](https://music.nmsu.edu)

## Recreation and Fitness

Students can live a healthy lifestyle through our many indoor and outdoor programs. We offer a variety of recreation, fitness and sports opportunities, including aquatics, intramurals, group fitness, outdoor recreation and personal fitness.

[recsports.nmsu.edu](https://recsports.nmsu.edu)

## Aggie Health and Wellness Center

The Aggie Health and Wellness Center provides integrated comprehensive medical and psychological services for all NMSU students. The center is nationally accredited and has a range of health care services to assist students. In an effort to reduce the risk of exposure to COVID-19, the Aggie Health and Wellness Center offers both in-person and telehealth services for access to medical and counseling providers, laboratory and pharmacy services.

New Mexico

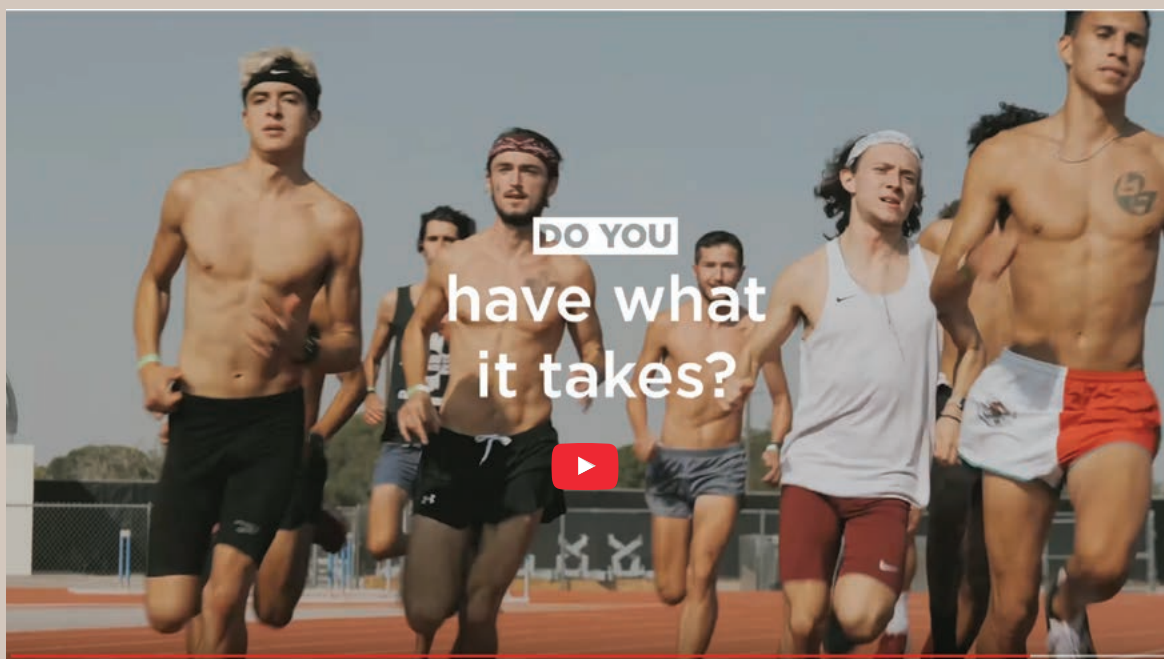

Living on  
Campus

RecSports

Faculty, staff, students and the Las Cruces community enjoy many exciting athletic events throughout the year. We have 16 sports teams, each proudly representing NMSU at the regional and national levels. Find out more at [nmstatesports.com](https://nmstatesports.com).

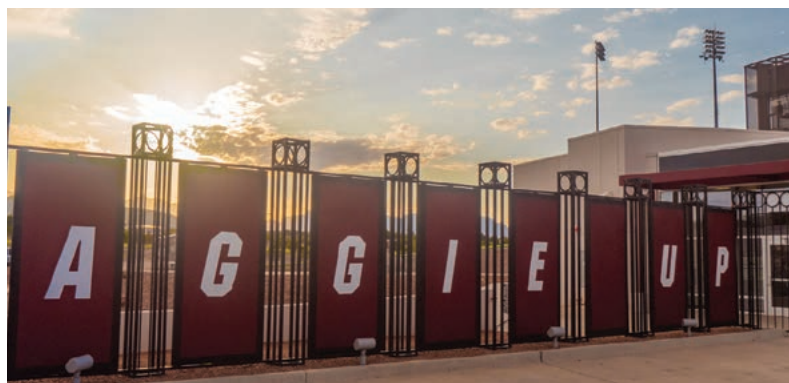

### Women's Teams

- Basketball
- Cross Country
- Golf
- Soccer
- Softball
- Swimming and Diving
- Tennis
- Indoor Track and Field
- Outdoor Track and Field
- Volleyball

### Men's Teams

- Baseball
- Basketball
- Cross Country
- Football
- Golf
- Tennis

With a capacity of almost 30,000, Aggie Memorial Stadium is the home field of the NMSU Aggies football team. It was built in 1978 and lies west of I-25 and on the eastern edge of the NMSU Las Cruces campus.

# PACKING for COLLEGE

## TIPS AND TRICKS

Don't put off packing for college until the last minute. Spend a little time each week preparing and collecting everything you'll need to be happy, comfortable, and ready-to-go when you move into your new place. If you leave it for the last minute, you'll hit steeper prices, limited options, and a lot more stress.

### Here are some ideas to help you pack

- ▶ Make lists to help you stay organized.
- ▶ Find free boxes at local stores, or ask friends and family.
- ▶ Get storage that will fit under your bed. Find something with wheels for easy access.
- ▶ Pack a trunk for multi-purpose use. You'll have handy storage that can double as an extra table or bench seat in your room!
- ▶ Rolling clothes instead of folding them takes up less space in your luggage.
- ▶ Wrap breakable items in clothes or socks.
- ▶ Remember to label all of your boxes as you pack.
- ▶ Keep clothes on their hangers to make unpacking fast and easy! Cover with large garbage bags to keep your clothes organized and protected.
- ▶ Use shower curtain hooks on hangers for scarves, belts, and other smaller items to save space in your closet.
- ▶ Keep some essentials aside and pack them into a small overnight bag. You'll have easy access in case you don't get everything unpacked right away.
- ▶ Pack your backpack with school supplies – like notebooks and pens – so you're ready to go on your first day of class.

## Organization is key!

MOMENTOUS CAMPUS MEDIA

# AGGIE TRADITIONS

It's through tradition that we tell the stories of our past, honor our heritage and celebrate the future. To share in these experiences, faculty, staff, students and the greater Las Cruces community can join in many activities throughout the year.

## First Year Walk

New students take part in a walk from the Pan American Center, down International Mall and to the Horseshoe on the day before classes begin in the fall. Students pass through the Miller Gates symbolizing their official entrance into NMSU.

## Keep State Great

Keep State Great takes place the week before Homecoming each fall semester. Students, alumni, faculty and staff commit their time to beautifying the campus with projects such as cleaning, painting and picking up trash.

## Homecoming Week

NMSU celebrates Homecoming every year, typically in October. Throughout the week leading up to the Homecoming football game, students and alumni attend several events, including class reunions, the Homecoming parade, the Celebration of Traditions Memorial Ceremony, the Alumni Association tailgate and more!

## Noche de Luminarias

Noche de Luminarias takes place the first Sunday in December at Corbett Center Student Union. Attendees can stroll around the center and the surrounding area at night by the glow of 6,000 luminarias.

## Painting of the 'A'

What started as a prank has become a long-standing tradition. In the early 1920s, students formed a bucket brigade up Tortugas Mountain and painted an "A" on the mountain. Almost a century later, students still maintain the tradition during the Greek event "A Day of Service."

## The Big Event

The Big Event brings together students, alumni, faculty and staff in an effort to say thank you to the Las Cruces community for their support of NMSU. Every spring semester, participants volunteer with nonprofit organizations.

## NMSU Ring Ceremony

Graduating NMSU students who purchase an NMSU official ring can participate in a special ring ceremony held at the Trader's Plaza during the fall and spring semesters prior to graduation.

## Senior Walk

Seniors who will be graduating within the year gather at the Horseshoe on the Thursday before finals week in May. The students walk from the Horseshoe, up International Mall to the Pan American Center. Students reflect on their time as they pass academic buildings, areas of student involvement and residence halls.

# FIND YOUR ADVENTURE

A growing city and popular Southwestern destination, Las Cruces is at the crossroads of interstates 10 and 25, making it the ideal location for year-round excursions. Residents and visitors alike enjoy more than 300 days of sunshine per year — perfect weather for outdoor activities, such as golfing, hiking, biking, camping and boating. You can reach a variety of spectacular destinations within a day's drive.

# PLAN A VISIT

Finding the college that truly fits is the key to success. We can show students in person why NMSU is the best university!

## Campus Visit

Students and a few of their family members will find out that experiencing NMSU first-hand is a great way to see what we have to offer. A typical campus visit may last two hours and can include presentations, a personalized academic info session, a guided tour by a current student and a preview of academic buildings, residence halls and recreation facilities.

Campus visits are available year-round Monday-Friday and one Saturday per semester. For complete details and to schedule a campus visit, go to [admissions.nmsu.edu/visit](https://admissions.nmsu.edu/visit).

Students can also explore some of our university or college specific recruitment material, view our Aggie playlist and take a self-guided virtual tour at [admissions.nmsu.edu/virtual](https://admissions.nmsu.edu/virtual). We can also connect on social media – we post new content every day!

## Day-long Events

Students who are still in high school, but are ready to experience what it's like to be an Aggie can attend one of our Aggie Experience events. To learn more and reserve a spot, students can go to [aggie-experience.nmsu.edu](https://aggie-experience.nmsu.edu)

Students who are already in college, but thinking about becoming an Aggie can join us for our Transfer Open House. To learn more and reserve a spot, students can go to [aggie-experience.nmsu.edu/aggie-transfer-open-house](https://aggie-experience.nmsu.edu/aggie-transfer-open-house).
